

Project:

Sto:Lo First Nation Coqualeetza Physical and Economic Development Plan

Client:

Sto:Lo First Nation

Dates:

Apr 2004 to Apr 2005

Project Type:

Area Planning, Community Planning, Museum Development, Public Consultation

Consultants:

H.Y. Engineering Ltd., Cushman & Wakefield LePage, Sharp & Diamond Landscape Architecture

Description:

A physical development plan was developed to meet a Government of Canada site transfer to a reserve requirement and to identify future land uses for residential, commercial, educational and cultural facilities. Buildings and other features were identified for cultural preservation. Possible land uses and road extensions were highlighted; commercial and housing market analyses were conducted; and community engagement was extensive.
